

Dear Applicant,

We have received your request to apply for the program entitled PROVIDING EXECUTIVE PROTECTION, Class 79, to be held in October 9-15, 2016.

The Providing Executive Protection 7-Day program will begin at 6:30pm on Sunday, October 9th (running late into the evening) and will conclude on Saturday, October 15th around 1:00 pm. To keep adhesive class structure we will all lodge at the same facility (information will follow). Remember your tuition for the program (Providing Executive Protection) includes all of your lodging (double occupancy – if you want your own room, there is a \$250 additional fee).

Our long days of 16 to 18 hours and one overnight exercise will give you an example of the real world personal protection profession. Our instructors have experience unmatched in the industry (please check our website for bios). And, of course, at the conclusion of the program and acceptance into the Nine Lives Associates (NLA), you will enjoy the privilege of wearing the CAT logo. The CAT is recognized world-wide by the highest level of employers. You will also have access to the members-only web-site for resource information, job postings, contacts, networking, etc.

Tuition for Providing Executive Protection is \$3,990.00 which includes the \$100.00 non-refundable processing fee. If you choose, you may begin the process by submitting the \$100.00 non-refundable fee and make the remaining payment of \$3,890.00 on or before September 30th, 2016.

The Institute will do a background check, so we have enclosed a release form for you to sign and return. We will also need a copy of your resume.

PLEASE COMPLETE AND RETURN

- a. Attached “Disclosure, Consent & Release for Obtaining Background Information” form immediately as we must conduct a background check on all prospective students.
- b. A copy of your resume.
- c. Deposit or Full Tuition. The deposit is a non-refundable \$100.00 processing fee. (If you are submitting your full tuition payment at this time, do not add an additional \$100.00. The deposit is part of your tuition and not in addition to your tuition).
